

WARRANTY

LRC Coil LLC (Seller) warrants against defects in materials and workmanship for 1 year from date of installation or 15 months from date of shipment when the coil has been properly stored and/or installed and is in normal service. Seller's obligation under this warranty shall be limited to replacing or repairing any part returned to the seller within the warranty period, transportation charges prepaid, along with return shipping instructions and collect return shipping charges, and is proved to the seller's satisfaction that the part/product is inherently defective.

This warranty shall not apply to products which have been improperly installed, repaired, or altered in any way outside of the seller's factory, or products that have been subject to misuse, negligence, accident or operated contrary to installation guidelines. Seller shall not be held liable for repairs made by the purchaser except by prior written authorization. Parts not manufactured by the seller such as motors, valves, or other items shall carry the manufacturer's warranty.

Any implied warranty of merchantability or fitness for a particular purpose or use, shall be limited to the duration of the foregoing written warranty. Otherwise the foregoing limited warranty is the buyer's sole and exclusive remedy and is lieu of all other warranties, express or implied. Seller shall not be liable for special, incidental or consequential damages, including but not limited to, loss of anticipated benefits or profits, loss of savings or revenue, punitive damages, loss of use of the product or any associated equipment, cost of capital, cost of any substituted equipment or facilities, downtime, the claims of any third parties including customers, injury to property resulting from the purchase or use of the product or arising from the breach of the warranty, breach of contract, negligence, strict tort, or any other legal or equitable theory, even if LRC Coil was aware of the likelihood of such damages. LRC Coil shall not be liable for loss of the use during the period that the product is being repaired.
